Die **Einrichtung** des **betreffenden Workspaces** anklicken:

The screenshot shows the Kiezatlas website administration interface. The main area displays a network diagram with nodes and connecting lines. A red box highlights the 'Einrichtung' node, and a red arrow points to it. The right sidebar contains a 'Topic Type' configuration panel with various settings.

In der **rechten Spalte** das Feld **„Hidden Topic Names“** ankreuzen:

The screenshot shows the Kiezatlas website administration interface, similar to the first one, but with the 'Hidden Topic Names' checkbox checked in the right sidebar. A red arrow points to the checked checkbox.

Das war's!
